FAQ's

- What prescription coverage is available?

The member is required to pay for the prescription at the pharmacy. If the pharmacy is part of the Optum network, the member will pay a discounted amount. They will then submit a claim form to ESC and will be reimbursed 70% of the charge for generic and 50% of the charge for brand. The annual prescription max is \$600. No Rx claims will be reimbursed once the annual \$600 maximum has been reached.

- How do I make changes and cancel coverage by telephone?

Call 1-800-269-7783 (toll free) to make changes or cancel coverage by telephone. You may cancel or reduce coverage at any time unless your deductions are pre-tax.

Remember, it will take two to three weeks for the changes or cancellation to be reflected on your paycheck. Coverage will continue as long as you have a paycheck deduction and refunds will not be issued for this time period. Interactive Voice Response (IVR): After your initial enrollment form has been submitted, you may make changes or cancel coverage by telephone. Changes can be made within 30 days of completing your enrollment form. If you do not have an assignment during the first 30 days, you can make changes to your coverage within 30 days from the pay check date of your first assignment. You will be prompted to enter your PIN CODE plus the last four digits of your social security number. PIN CODE: 408 + _ _ _ _ (last four digits of your SSN) for this time period.

- What is the current cost of an urgent care visit?

These services vary in price depending on demographic location of the provider. The ESC Fixed Indemnity plan will reimburse \$105 per day for the urgent care visit and the member will receive a discount if they stay in the First Health network.
